~~CONFIDENTIAL~~

MEMORANDUM

TO: Bob Haldeman  
FROM: Rose Mary Woods

This morning Ralph Bunje, a longtime friend and supporter of the President as well as head of the California Canning Peach Association in San Francisco, came in to see me about several matters.

In the course of his conversation he expressed great concern about the difficulty of carrying California in 1972. He suggested that we must find a way to let the people in California know how many things the President has done for the State. He says when things have been done that are good for the State there is never any real publicity - any praise for the President. In other words, there is no feeling that this Administration has done this, this, this, etc. for the State.

He hopes we are having someone other than just Reagan run the campaign. He said we cannot depend on Reagan to help carry the state because he probably would not push hard enough and most of those people he has gathered around him are not Nixon people at all. Also, he is unable to get along with the Republicans who are in the State Legislature, etc., and he feels we better have some others who are really working out there in addition to whatever we may have the Governor working on.

I told him I knew nothing about campaign plans but that I would be glad to pass along this message to some of the people who will be working on California. (I don't know the score but do know this man is really FOR the President.)
