Jack Mulcahy to rmw (from Ireland)

Please convey to him my deepest regards -- just as strong as ever. He should go on nationwide TV and answer all these bums -- we can get his old friends to pay for it.

Also tell him that the redwood tree he planted at Kilfresh is now ten feet tall -- same as you will be -- stay in there!

MR. PRESIDENT:

I talked with Billy Graham this morning and this is the message he asked me to give you.

"I feel a little sad. I also feel I love the President very much. He is a great man and I know that history will prove that. I will be glad to come and help him in any way or just have a prayer with him. I want him to consider me a friend that he can confide in.

"The clouds in life are difficult, but just remember the sun will always shine through no matter how tough it looks."

Dr. Graham will be in New York tonight and will leave his number with the operator.

Ed Cox had a call from Senator Griffin telling him that Billy Graham said to the Senator -- he is on his way to the White House because the President needs him!
