MEMORANDUM

THE WHITE HOUSE

WASHINGTON

April 20, 1971

DETERMINED TO BE AN  
CONFIDENTIAL MARKING

By

MEMORANDUM FOR:

RAY PRICE

FROM:

JON M. HUNTSMAN

SUBJECT:

Ron Roman's - YGOP

The Daily News Summary carried an article stating that the National Chairman of the YGOP, Ron Romans, sent Senator Muskie a bottle of "No-Doz" pills, charging that the Democrat had taken a "six year nap" while Kennedy and Johnson escalated the VN war. "Now, suddenly... the sleepy Senator yawns, sits up and speaks to us from the political land of nod. Suddenly, he wants out of VN and wants out now." The Chairman charged that "for six years Rip Van Muskie snoozed in the beds of Kennedy and Johnson rubber-stamping escalation of the war... Why did he conceal his true feelings from the people while publicly voicing approval for the Johnson policy -- even to the point of fighting for the Johnson-backed Vietnam plank in 1968?" Romans said he sent Muskie the stimulant pills so that the Senator "can stay awake while the Nixon Administration brings the war to an honest, honorable and open settlement."

It has been suggested that a note of thanks be sent to Ron Romans regarding his remarks.

Please submit response to the Office of the Staff Secretary.

Thank you.
