MEMORANDUM

THE WHITE HOUSE  
WASHINGTON

April 13, 1972

MEMORANDUM FOR: H. R. HALDEMAN  
FROM: BRUCE KEHRLI *BKE*  
SUBJECT: The Conservative Case for  
Richard Nixon

Pat Buchanon has all the materials needed to put together an article on the Conservative Case for Richard Nixon but recommends that we hold off until after the Moscow trip and until Ashbrook peters out after the California primary.

His argument is that we shouldn't make the case too early and then have some event come up that will promote criticism from the conservatives.

Therefore, unless you have any objections, he will hold off on this project until after the Moscow trip and the California primary.
