DWIGHT L. CHAPIN

July 27, 1971

Dear Frank:

Attached you will find one set of floor plans for the proposed Villa which will be built at the Key Biscayne Hotel. You will note that there are three basic changes in each one of the units which we would like to make.

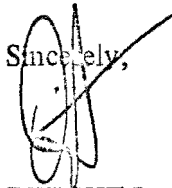

1. We would like to put a wall with a door between the living-dining area and the back den.
2. We would like to closet-off a portion of the kitchen and put a door into the closet area from the back den. This would be a room which we would use for storage purposes - dictaphone, stationery, etc. The other day I talked to your brother, Bob, about the possibility of building a storage area onto the back of the Villa. Providing these storage closets would preclude that request.
3. You will note that we would like to have a common door between the two Villa units on the kitchen end of the dividing wall.

I assume that these changes will cause no overwhelming problems - or at least I hope not.

In terms of the decor, we would like to think in terms of having the Villa done in yellows, browns, and oranges. Is this feasible?

With best regards.

Sincerely,

DWIGHT L. CHAPIN

MEMORANDUM FOR:

MR. JEB MAGRUDER

FROM:

DWIGHT L. CHAPIN

Attached you will find an item from the news summary which came from Klein saying that the Convention is going to be trimmed from four days to three days. It would seem to me that all of the changes being made in the Convention - procedures, number of days, etc. - would be held and perhaps announced at once or announced in a way so as to make it look like the Party is for very practical reasons restructuring the Convention process.

It would seem to me that we would not want to dribble this information out as we are presently.

Maybe some of us should talk about this?

MEMORANDUM FOR:

MORT ALLIN

FROM:

W. KERRY L. CHAPIN

Bessie and I had a print of the red and blue "Nixon's the One" poster from the 1968 campaign which got damaged. We wanted to get this framed for a den.

Do you think there's any chance that I might be able to get hold of another print of that poster? (Knowing that you're the mastermind behind the project or controller of surplus copies, this is an appeal!

Please advise.

Attached is a sensational picture of The Spirit of '76 which I would very much like to have autographed by you — is that possible?

With best regards.
