Mr. Dwight Chapin
The White House
Washington, D. C.

Dear Mr. Chapin:

On March 13 - 15, the Young Republican National Federation will again sponsor its Leadership Training School. As one who is familiar with the programs of the Young Republicans, I am sure you will recall that it is to this school that Club leaders from all of our fifty states will come and will carry back with them even more enthusiasm and knowledge for dealing with the large measure of their political tasks.

The Young Republicans are very aware of the many contributions you made toward accomplishing our Republican victory in 1968, as well as the stature you have now attained in accepting the tremendous responsibility of helping President Nixon to achieve his difficult but worthwhile goals. Certainly no explanation is needed when I tell you that it would mean so much to each of these young people -- and future leaders of our Republican Party -- to have the opportunity and privilege of meeting you personally. So, on behalf of Victor Kamber, Chairman of the Leadership Training School, I would like to invite you to a reception being given to honor you, the Cabinet, and other distinguished guests of LTS. This party has been planned for Friday, March 14, from 6 to 7:30 p.m. at the Shoreham Hotel (Empire Room). I sincerely hope that your schedule will permit you to come.

It would be very much appreciated if you could let me know within the next few days, if we may look forward to having the pleasure of your company at this party.

Sincerely yours,

(Miss) Joy Langford, Chairman
Distinguished Guests Reception
