EXECUTIVE

FG 6-11-1/ Ehrlichman, John

December 31, 1969

Dear Mr. Amuloxen:

I am certainly sorry that it wasn't possible for me to attend the farewell appearance of the King County Planning Commission at the Harbor Club earlier in December.

Unfortunately I have been pretty well tied down here and haven't seen Seattle for a long time.

But as one of the Planning Commission's oldest and best customers I have a warm place in my heart for everything the Commission has tried to do down through the years.

I don't know too much about the new system or how it will work but I think on balance the old order had a good deal to deserve recommendation.

Please excuse me for not having been there at the wind up. It's something I would very much have liked to do.

Yours sincerely,

John D. Ehrlichman
