MEMORANDUM FOR:

JOHN EHRLICHMAN

FROM:

KEN SMITH *WS*

SUBJECT:

SPEAKING ENGAGEMENTS AT  
VANDERBILT AND MEMPHIS STATE  
LAW SCHOOL X

As you may know I have the responsibility of coordinating the speaking program of the President's representatives before young people. Two requests have come in for you to appear on campuses in Tennessee and both are excellent forums and programs. They are:

1) <sup>X</sup>Vanderbilt University "Impact" series headed "Issues 1972" this year. This is an annual event at the university which draws heavy crowds and well known speakers (Lindsay, McGovern and Wallace as well as Gene McCarthy came last year). Your speech could cover anything from economics to a general overview of the Administration's domestic policies. A question and answer period would follow. 1,000 is the minimum number expected.

2) Memphis State Law Day celebration. The Memphis State Law School in connection with the Shelby County Bar would like you as their law day speaker (held early this year due to exams). A minimum of 1,200 people (students and lawyers) are expected. A television interview and press conference usually accompany such a speech and it always gets wide coverage in the South.

I believe both of these events can be scheduled for the same day. The best dates for both would be either April 17 or 18 although April 15 would be acceptable to both. The general schedule would be for the Memphis State speech in the early afternoon and the Vanderbilt speech for about 7:30 in the evening. Both will pay expenses.
