MEMORANDUM FOR JOHN EHRlichman

FROM: ED HARPER *EH*

SUBJECT: A Voice from the Past

Substituting for you, I gave a talk at the Federal Executive Institute on September 5th. At that meeting, I met Mr. Carlton ("Bing") Bingham who asked me to give you his special regards.

He tells me that the two of you were together at Camp Josepo in California, that the two of you worked together on your life-saving merit badges, and that you inducted him into the Order of the Arrow.

Bingham is now a Director of the AEC lab at New Brunswick, New Jersey.

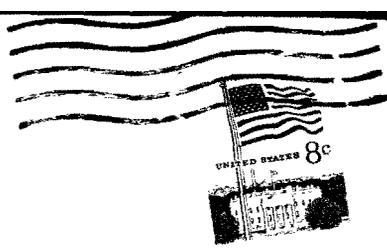

Being a former Boy Scout myself, I had to assure Bingham I would relay his regards to you, Scout's Honor!

Dear Pete:

I have just learned that you are starting your first year in law school at Stanford. I want to take this opportunity to wish you the very best in the months ahead.

I have often told reporters that of all the challenges I have had to meet during my life, the toughest was getting through the first year in law school. On the other hand, the discipline which was instilled in me by professors at Duke thirty-eight years ago, has stood me in good stead since that time in dealing with the major problems with which I have been confronted in both my public and private life.

Knowing both your mother and your father, I am confident you will meet this test with flying colors.

With best wishes,

Sincerely,

RICHARD NIXON

FGG-11-1 / EHRLICHMAN, JOHN D.

FOR JOHN CAMPBELL

During the President's recent trip to Wilkes-Barre, Pennsylvania, he made an unscheduled visit to a church where a young couple was being married. During the visit he hit Ehrlichman for \$20 to drop in the poor box.

Your ideas as to how Mr. Ehrlichman can be reimbursed for this unexpected drain on his finances would be most appreciated.

Dear John:

Many thanks for being with us on Tuesday. Your appearance meant a great deal and certainly was one of the highlights of the day. It was most appreciated by all of us.

Please accept my apologies for the delay of your presentation. Those "three-minute" greetings were certainly prolonged!

Best personal regards.

Sincerely,

mjm

MEMORANDUM FOR: TOD HULLIN

FROM: JIM CAVANAUGH 

The Carpenters will be making a 1-night appearance in Seattle this Friday, October 6, at the Opera House. As you may know, they have recently indicated that they publicly support the President's re-election. I recommend that John and his wife make an appearance at the Carpenters Show on Friday night and then go back stage for a photo opportunity. The Seattle press should be alerted.

The objective of all of this is that we should have some Seattle stories with The Carpenters saying how much they support the President. I will be happy to set it up if you give me a go on it.

FOR NATE BAYER

John is thinking about doing this if there is some good media stuff we can do and if we can do something to help our Senatorial candidate.

Would you look into this on a crash basis and get back to me by 3 today?

Many thanks.
