Sunday, February 15-- correction 14.

At Key Biscayne. The President stayed occupied over at his place today. I had one brief phone call just to check up on schedule planning and particularly his concern about the Irish "Evening at the White House". He wants to be sure we have a good producer on it and that we've worked out the arrangements for Jackie Gleason to fly up for it. That was about it.

End of February 14.
