Wednesday, September 22.

The President spent the day at the EOB preparing for the Detroit Q&A tomorrow night. Called me over at 1:00 to discuss a few odds and ends. He wants to have a Cabinet meeting on Friday per Shultz-- Connally's request, and then he will meet with Connally and Burns afterwards. He had a few ideas on couple of PR follow-up questions and schedule items, nothing of importance. He was mainly just taking a midday break. I left right after that to come home, since Susie's here just for today. The President called late this afternoon to check up on late developments, nothing going on.

So that does it for September 22.
