Tuesday, January 4.

The Attorney General called this morning to say that he had talked to Stans and covered all the items with him. The President should now confirm it with him, and he'll make the move to be Campaign Finance Chairman.

We choppered down to San Diego for the shipyard announcement today. It went very well. Good group of hardhats and a good reaction. President enjoyed it and wants to do more of that kind of event, where it takes very little time and preparation and has a good public effect.

End of January 4.
