Wednesday, March 1.

More China follow-up this morning and also President had chats with Connally and Shultz and so forth to get things cleaned up before he leaves for Key Biscayne. He wants to get notes off to Nelson Rockefeller and the other key people who have supported the China trip, wanted Rose to call all of the family and tell them gifts are coming to them. Wanted Kissinger to get hold of Buckley this afternoon if he could. Wanted Butterfield to offer Camp David to Connally for the weekend. On the plane to Key Biscayne, he wanted to be sure we sent a bottle of Mao Tai to Abplanalp, saying "Try this for starting your fire". Wants to have the phone calls turned off, take things easy.
