Friday, March 3.

Key Biscayne. President again had me over first thing this morning before his long morning meeting with Ehrlichman. Didn't have anything really in mind. He wants to have Kissinger take next week off. Wants to-- we went over again some specific schedule ideas, but he doesn't really want to get down to planning on that yet and so I didn't get too much settled. Unfortunately, we have a rainstorm this afternoon, so it's a good day to get some inside work done at Key Biscayne.
