Monday, June 5.

The President came back up from Key Biscayne because of the terrible weather, and so I also went down from Camp David. I have had no contact with the President today. Did have a long talk with Kleindienst who wants to talk to the President today about the Deputy Attorney General. He feels he has to have Ruckelshaus for this. Also he has four, or three, other assistant Attorney Generals that he wants to make immediate announcements on.

End of June 5.
