Sunday, February 25.

The President came down for White House church this morning, called me about 2:30 just to chat in general. Said that Peale had wowed them again today, and that he referred to Debbie Reynolds. And the President then talked about her show being so good, that's the one he went to Thursday night and especially liked the choreography. Said he talked to Ehrlichman about the *Time* magazine thing on FBI leaks of taps on Brandon and Safire. And he said that he had talked to Ehrlichman and agreed that everything should be handled by Dean and Kleindienst on the Watergate. That Ehrlichman and I should stay out of it, not let it divert us.

End of February 25.
