National Archives and Records Administration, Online Public Access Catalog Identifier: 7787364

Sunday, April 18.

No contact except a brief phone call before church regarding a poll that appeared in the *Washington Post* this morning. It was completely distorted and a follow-up to reaction from the ASNE as to how they handled it on the TV. He felt it had turned out extremely well to use radio and that we had gotten full credit for holding a press conference.

End of April 18.
