Saturday, January 18.

Arrived last night from New York via Presidential Jet Star with Flanigans and all my bags and boxes. Met the family at the Statler Hilton – Jo, Susie and Hank M, Hank, Pete, Ann, Mother and the Hortons all here for the Inaugural. Today went house-hunting with Jo – and settled pretty much on Spring Valley, Wesley Heights, where Nixon had told us to go. Dinner at Trader Vic's – saw Billy Graham who had been at White House last night with Lyndon B Johnson. Johnson told him the Nixon Cabinet was the best in history – with Finch and Rogers the stars. He had met and talked with each one separately. Then to the Gala – a disaster!
