Friday, June 6.

Another Newporter session. This time with Finch and Harlow, regarding political problems of guidelines (agreed to eliminate them, and set up "criteria" instead, with Finch and Mitchell to work out statement for next week).

Group developed idea of dramatic approach before January 1 regarding programs for the 70's. President thought of daily TV shot for two weeks in December. New subject each day, feels need to dramatize a major forward thrust. In broad long-range strokes, not just for 1970.

Afternoon at the pool at Lido and dinner at the fish place with Chapin and Larry. Overnight at Lido.
