Saturday, June 7.

Left first thing in morning for Honolulu. Few sessions en route with the President, just little odds and ends. Then he took a long nap. Lousy airport arrival. Chopper to hotel.

Meeting of the Midway delegation at hotel. President moved it up an hour - confused everyone. Flap with Chapin, etc., because hotel arrangements not well set up. Old advance men again Hughes, Ehrlichman and I went for outrigger ride. Then took Rose to dinner at Trader Vic's Terrible! Poor President tried to get family out to dinner but Tricia wouldn't go. Julie and David did. Family had room service.
