Monday, June 9.

Back to California. Long sessions with President on plane. Lots of ideas regarding trip planning, etc. Called me into his room before we left for chat on terrace.

Some plans about handling follow-up. Changed to arrival ceremony at White House, meeting with bipartisan leaders after. Depart early from California to make TV.

Raised idea of long shot possibility of trip to Vietnam, Thailand, India, Pakistan, etc., as follow-up to Apollo splashdown. Other general schedule ideas.
