Friday, August 22.

Party returned about 1:00 - President didn't come in to office, and canceled meeting with speech writers. He called me, to set up a dinner at the house with key staff plus Cabinet officers here. We can't go because of family dinner at Webb's. Then he called and wanted to go to the sandy beach we had found for him at Pendleton. Big flurry to get that set up. He called on return to say it was perfect and asked to have a changing facility set up there.
