Thursday, November 27.

Thanksgiving - and no word from President. He had a dentist appointment at 8:30 - no advance press notice - and it worked out OK. Then the big White House dinner for the old folks which was a great press success. Then the family left for Key Biscayne. Peace and quiet here.

Connie Stuart succeeded in getting Tricia, Julie and David to pose for *Newsweek* pictures - supposed to be for a cover next week, we'll see.

President spent couple hours in office in morning, and got all the weekend work done.
