Pretty quiet with President in Key Biscayne. He called once, just to check in - had no assignments or problems. Said he had gone over a lot of things with Alex on the way down, good to give him the exposure, etc. This is a great step in the right direction, and maybe will help to divide things up. Alex is moving ahead with them, and this will be damn good for the long haul.

Had a long planning session all morning with the Big Four - not too much accomplished, but did lay some groundwork for long-range planning.
