Sunday, January 4.

President came to Palm Springs after watching one game on TV at San Clemente - spent most of afternoon watching the other game, then played couple holes of golf. Called in evening to chat and see what's going on. Bitched especially about *LA Times* coverage because they led with golf instead of GI Bill. Said Annenberg is really down on Otis - why he wouldn't sell to *Times*. Chapin here for the night, family left this morning.
