Sunday, March 22.

A busy day as the postal strike issue got worse. Most of us were in - several sessions with President and with Shultz, etc. No action today - will see what the workers do in the morning. If they don't come back, President will move with troops - consequence may be bad. President spent whole day at EOB, on this and with Harlow on the school statement. Wants tomorrow cleared to finish statement and be prepared to act on strike. A cool crisis!
