Saturday, April 11.

Brandt farewell - and SALT delegation farewell. Then a little chitchat regarding, "It's noon and another week over." Took off with Bebe for boat ride, then to Camp David. Called to see if anything new. Pretty calm, thinks he got things cranked back up. Planning a hot week with Justice on Monday, postal deal on Tuesday, crime blast on Wednesday, Vietnam Thursday. Thinks it's good to have a fight to stir people up, sprint, then lie low.

Big flap late tonight regarding kid arrested in [?], Don Nixon's car going 90. Had loaded machine gun in trunk. Secret Service handled very well with CHP. Strange.
