Friday, May 29.

At San Clemente. President into office early - couldn't sleep. Just sat around all morning with Kissinger and me - on generalities. A lot of recapping last night, made some phone calls, to Graham, Otis Chandler, George Heart, etc. and Victor Reisel.

Finally left the office around noon. Went for a drive in afternoon with Bebe, and for a swim in the pool. Movie in evening and to bed early.

I went to Palm Springs.
