Tuesday, June 16.

Busy morning schedule. Worked on speech at EOB first for couple of hours, then appointments until about 1:00.

Covered some odd notes of his - plus lot of schedule and information items of mine as he was waiting for latest draft. Then went back to EOB to work on speech.

Called me with idea to send our good senatorial candidates to Vietnam for tour, to build them up.

Called several times regarding speech. Is pleased with Safire process which has apparently worked much better than he thought. Maybe we can get him to start using the writers and working with them.

Flap regarding Agnew as he blasted our appointee to Kent State Commission. Creates awkward situation as Ziegler has to repudiate VP in effect. President concerned that VP would cut loose like this without checking first. Actually hurts him more than anyone. And builds up the guy he attacked - a militant black from Harvard. Ehrlichman in the middle as it's his boy, and he staunchly defends the appointment.
