San Clemente. Long session with President in office in morning as he had nothing to do until departure time. Reviewed whole schedule, especially for this week and juggled a few things around. Wants a meeting with Mitchell and Harlow regarding whole plan for VP. Wants me to move on Kissinger's schedule and set him up with people that will help us. Some more pinning for a PR man. Wants political activity cranked up under Rumsfeld and Finch. Put Klein on road on TV.

Another session on Air Force One en route to DC. Decided he wants to go to All-Star Game in Cincinnati - David's idea. Some more political checking, and some ideas and instructions for VP. Tricia and Julie will campaign - wants plan. Bebe came up with nudge to hire Paul Keyes. Problem!

Overall President very pleased with this California trip. We made enormous amount of news and accomplished a lot.
