Tuesday, July 7.

Back to DC and the routine. Leadership meeting this morning, then a speech to OMB leaders. Long session with Heard this afternoon to wrap up his project.

Only had me in for a few minutes in the morning - then spent afternoon at EOB, and to Residence early for OAS reception.

Very upset by Scranton plan to hold public hearings with his Campus Unrest Commission.

I spent most of the day in long staff sessions: politics with Rumsfeld and Dent and Chotiner; organization with Ehrlichman and Shultz; our staff with Larry. Got a lot of dictating done and am pretty well caught up.
