Monday, July 27.

San Clemente. President in late. Had meetings with Laird and Packard regarding Defense Department organization, then McCracken, Shultz, Ehrlichman, Kissinger about economics of '72 Budget. Made it a long morning. A few odds and ends with me then to the house for rest of the day.

Had Reagans and Murphy for dinner - key staff for cocktails first. Overdid the picture taking, and a little awkward getting things under way, but it worked out all right.
