Friday, July 31.

Back at San Clemente. Meeting with Rogers - and President to press room at San Clemente Inn to announce Israel acceptance of Middle East peace plan. Some further discussion with Ziegler of answer last night about sending "desegregators" into South. Hard to get a common line established - Justice still keeps talking about sending people in.

President critiqued press conference preparation. Wants more concentration in briefing book on the few very important questions - and the lines we want to get across, instead of trying to cover all the ground.

He felt press conference went well - and is now talking of doing another one out here next time.

Clear for afternoon and evening. Not even a phone call.
