Thursday, August 13.

Full day of little items plus Domestic Council. Then dinner on *Sequoia* with Harlow, Ehrlichman, Finch, Shultz, Ed Morgan supposedly regarding Southern schools, but was just a gabfest. Reminiscing about the old days in Congress with Harlow - in great mood, some pretty funny cracks. Did meet with above plus Mitchell earlier to go over Southern policy again. Keeps ramming it home. I had meeting with Ehrlichman, Richardson, same problem, all want to do more than we really have to do.

President delighted with news Angela Davis (UCLA Communist) had owned the guns used in San Rafael judge killing. Shown the conspiracy linkup more clearly than anything yet.

Big new word from Soviets - didn't get word from Kissinger as to what, but he's got something cooking.
