Golda Meir meeting - President once again impressed with her strength and toughness. Guess it went pretty well, though he was not looking forward to it.

Lot of talk regarding ways to get the Kansas speech replayed on TV prime time - even using our money. Got Colson to work on it. Networks all turned it down - even using an existing sponsor's time. Gives us good issue, but would rather have the TV.

Still pushing hard on busing statement, action about student violence, cop killings, etc.

To Camp David at 6:00, after greeting reception for Congressional staffs. President was great with remarks regarding mail, etc., right down their alley.
