Saturday, November 21.

President at Camp David. Called several times. Concerned regarding Moynihan UN leak - especially doesn't want to hurt Yost. Back on reorganization, wants to move to cut Executive Office. Back on problem of no spark in economic group. Disappointed with Productivity Commission - no results, just talk.

Decided maybe Agnew was right yesterday - President didn't like news summary saying VP had praised press and now thinks maybe he should have attacked them as he planned.

Called in late afternoon to discuss Ohio State-Michigan game - nothing else.
