Tuesday, July 22.

All day at the White House in preparation for the trip. President had horrendous schedule - mainly Congressional - starting with bipartisan leaders breakfast. Several ABM sessions with Senators. A long session with Ehrlichman about work to be done while President is gone. Then supposedly to the All-Star Game - after a baseball reception and a session with General Wheeler. Rain started and the game was finally canceled - so we left for the airport in a downpour. Flew to San Francisco tonight. Overnight at the St. Francis - then on to Johnston Island tomorrow.

President still fascinated with Teddy Kennedy case, and covered some things about it with Ehrlichman also. Had me into his cabin on Air Force One for a good part of the trip covering details and mainly just chatting.
