PERSONAL

MEMORANDUM FOR

ALEX BUTTERFIELD

SUBJECT: Disposition of Old Cabinet Chairs

The penurious nature of the Vice President was such that he was aghast at the thought of purchasing the Cabinet chair for \$154.50. I let it go at that.

My interest now, provided we can keep this confidential, is in expressing an interest on the part of the staff in purchasing the chair as a Christmas gift for the Vice President. Please let me know if this is possible and if so, if we would be able to consummate the transaction in the fall.
