Holtz - we were better off last night
well o.k.

Rockefeller - once it set motion it can't
be stopped - had to come to a
head - just keep Senators Erwin
& Baker w/you - If I get a
chance I'll be with you.

Williams - not talking much abt this
whole thing out here - If I
get any I'll try to help.

Thompson - from the beginning I had
T's complete support - he
still has it - glad it's
coming along as it is - wish
I hadn't gone w/ER to begin
with - Cotton going to me

Ray - never a dull moment - is fine
still working - well, at least I
know two people in Wash.

Hayden - probably the best thing that
ever happened - none of them
belong where they were - hope
it won't change the deal w/Erwin
& Baker
