National Security Decision Memorandum 100

TO: The Secretary of State
 The Secretary of Defense
 The Director of Central Intelligence

SUBJECT: Military Equipment Package for Jordan

In response to the memorandum of the Secretary of State, "Recommendations and Options re Jordan Arms Requests," the President has made the following decisions:

1. The recommendation for provision of military equipment to Jordan over a period of the next three fiscal years as outlined in that memorandum is approved.
2. A memorandum on the impact of this package on Jordan's military budget is requested in the context of the study now being prepared on Jordan's longer term economic needs.
