Dear Miss Woods:

Thank you for your letter of September 4. This opportunity to be of assistance is welcomed.

We've Delivered -- Will You?

1969 INVOICE FOR DUES IS ENCLOSED When we wrote a year ago about your annual dues for Pi Sigma Epsilon, we tried to show you how important your payment would be -- how you could help in producing growth and member benefits. And we made some promises about specific benefits for you, as well as for Brothers still on Campus. We've reproduced a pertinent section of that Brief Case here, to repeat our 1968 "sales presentation" and to give you a progress report as well:

FUNDS FOR GROWTH Collectively, your Annual Dues are the prime source not only for expansion, but for operating funds as well. Undergraduate dues and initiation fees can "see us through," but no more than that. It is our strong (and much more prosperous!) off-campus forces that can provide funds for first-class operation, and for the all-important expansion of services, coverage, and influence.

MORE FOR YOU Thus I hope you will honor this Dues Invoice right now, reflecting on what you will make possible: a colorful new "Rush Brochure" on PSE, for more effective campus recruiting; new (and widely available) Chapter Operations and Pledge Manuals; a Field Secretary (& recent PSE alumnus) who will be able to visit each Chapter annually; a National Pi Sigma Epsilon Directory; and a host of other innovations to enhance our brotherhood's image on the campus, in our profession, and across the nation. Help us make this possible, and you will get more from your membership than ever!

1. "Get Something SOLID Going For You" sent in bulk to all Chapters -- and to you on October 15, 1968.
2. Both Manuals sent to every Chapter and Officer last Fall; we'll repeat in '69.
3. Cris Gleason, past President of Gamma, now in action; 21 Chapters visited to date, ALL to be visited by May 30.
4. First produced in April 1968; Second Edition now being compiled.
5. Colorful Rush Posters and Meeting Notices now available; a new Gold Pin and Blazer Patch due March 1.
6. New prominence for PSE in professional magazines, national meetings of SME-International, and in SME Clubs.
7. Coast-to-coast Convention publicity in April 1968, and PSE's "Defense of Open Campus Recruiting" on NBC's MONITOR Radio Program April 27.

MANY MORE PSE INFO MAILINGS We've given you more news of your Fraternity, too. Publication of "Dotted Lines" has been increased to semi-annually (you've received two issues), and the PSE Newsletter to quarterly (you should have Nos. 5,6,7, & 8 by now). Much of this has been an investment, of course; 1968 dues didn't cover many of the costs. It's been possible only through a generous grant from SME-International.

HOW ABOUT THIS YEAR? We hope we've made a sale. Though we had no response from you last year, we are betting that you will honor this 1969 Dues Invoice. If you do not, costs will force us to drop you from membership. Many fraternities never drop members, preferring to keep lists of "possible contributors," but they are not marketers.

We want you to elect to stay with us, and respectfully ask for the order. You can't make a better investment in better sales recruits for tomorrow. May we have your check -- and the top of the invoice -- today?

Fraternally,
John H. Marsh

Dear Mr. Curry:

Your letter of July 30, addressed to President Nixon in care of his former law firm in New York City, has just come to my attention. In answer to your inquiry, all correspondence to the President should be addressed directly to the White House.

However, I am writing to advise that the President has decided, reluctantly, that since he is unable to devote attention to the more than one hundred organizations and associations with which he was affiliated prior to the Election last fall, he will be unable to continue his membership with such organizations during his tenure of office. Consequently, it would be greatly appreciated if you would cancel his membership in The Society of the Friendly Sons of Saint Patrick in the City of New York for the present time.
