Dear Mr. President:

Bunny and I are still walking on clouds because of the wonderful time we had at your surprise party for Pat. Neither of us ever had as exciting an evening and I can't tell you how proud we were to be there.

We are also proud of the magnificent job you are doing and of the rave comments from all of our friends.

Love to Pat and you from both of us.

Sue.

Memo on "Today Show" from Julie

NOTE: James Earl Green was 17, a high school senior and track star who hoped to go to UCLA. His father died when he was small; the letter is to his mother, who just very recently remarried. Green worked six hours a night, after school, to help support his family. His mother said he had been on the way home from work when he was shot.

Mrs. Myrtle Burton
1164 C Dalton Circle
Jackson, Mississippi 39203

Dear Mrs. Burton:

I know the death of your son James has grieved you deeply. It also has saddened the nation. Though words cannot bring him back, I hope that the sympathy of so many can at least help ease the pain.

When tragedy overtakes one so young, we all think of our own children, and how we would feel. I do want you to know that Mrs. Nixon and I share your sorrow, and that you will continue to be in our thoughts and our prayers.

Sincerely,

James

Mr. President

For Someone Special

"The Prayer of St. Francis of Assisi"

The Prayer of St. Francis of Assisi

*Lord, make me an instrument of Thy peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light; and
Where there is sadness, joy.
Divine Master,
Grant that I may not so much seek to be
Consoled as to console;
To be understood as to understand;
To be loved as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life.*

— St. Francis

*God bless you morning, noon,
and night*

God keep you in His care—

*God fill your heart
with faith in Him*

And answer every prayer

Freddie

Continuation of the memorandum with ~~— regarding the political~~
with regard to the political situation in Illinois

In any event, a fellow like ^{Wittner} Woodward should be used but it is
important immediately as you can see that we have some one
man in charge of Illinois so that when I get a question about
somebody like Woodward I will know where to refer it.

In the case of Lukens, as you know, this involved
John Andrews, the Ohio political hierarchy and a lot of other
wheels within wheels. ~~xxx~~ My general impression of him is
^{about} ~~above~~ what yours is but, on the other hand, he has a lot of drive
a lot of friends and could probably turn out to be quite useful
to us provided it will work out in cooperation with Andrews and
others in ~~Ohio~~ Ohio. I would like for you to see that all
three of these are followed up so that they know that I have passed
the information on. Lukens, incidentally, ~~says~~ tells me that the
County Chairman in Cuyahoga County, Hughes, was the real
culprit in the 1970 elections and is bad news as far as we are
concerned. My guess is that Andrews is our best contact in Ohio
but again let's be sure that we just don't line up with one power
faction against another. Lukens, incidentally, also wants to
talk about political activities in other states where some of his
PR people will be working. Just see that somebody responsible
handles him in a proper way.

All of this, of course, points up the necessity ~~that~~
at the earliest time possible of having our political situation put

down state by state as far as the major states are concerned,

in a way that we can use the ~~exp~~ people who will be helpful to

us and keep them from getting me involved.
