Dear Clint:

In talking with Johnny Reilly the other day he asked whether I had received your letter concerning Chief Newman. Yes, I have your letter and his resume has been called to the attention of the people who will be making the recommendations on this position.

However, no action is likely to be taken on the appointment of the Commissioner of Indian Affairs until after all of the Cabinet positions have been filled.

With kindest personal regards,

Sincerely,

Rose Mary Woods

Dear Rose:

Enclosed is a letter to Dick regarding Chief Newman which I hope you can get to Dick's attention in the near future.

It is still hard to believe that Dick will soon be our next President, and it is awesome to think of the work and responsibility that he, and you, will have. My best wishes go to both of you.

Sincerely,

P.O. Box 1968, Times Square Station

Dear Dick:

Hubert Perry and I would like to ask that you consider Chief Newman for an appointment to Commissioner of Indian Affairs. We know of his keen interest and knowledge of American Indians, and of his ability to get things done on a level headed basis. Because of this we feel he could be of great service to the American Indians, to our Country and to you.

With this thought in mind we had a meeting with Chief to determine his interest and found him very receptive to the proposal. We feel that he would be a hard and enthusiastic worker at this position because of his interest and motivation.

You know Chief as well, or better than we do, so no more need be said about his qualifications. However we are enclosing a resume of his life which may be helpful to you, or others working with you. We are sending a copy of this letter and resume to Bob Finch since I discussed the matter with him when talking to him on the phone a few days ago.

Dick, we both thank God that you won the election and pray that He will give you help for the job ahead.

Sincerely,

*Crist*

Has always been interested in Indian education. In 1926 he took out the legal guardianship papers for an Indian boy and saw to it that he received a high school education. He then secured a scholarship for the boy at the University of Southern California.

Some 25 years ago, Wallace Newman realized that he did not know how his people, the American Indians in the United States and more particularly the Indians of California were parted from their heritage. He then began to study material on the subject. He has collected a small library on American Indians with particular emphasis on the Indians of California. He is continually expanding this collection.

In 1957, at the suggestion of the Riverside Area Office, Bureau of Indian Affairs, he was instrumental in organizing the Mission Creek Band of Mission Indians, Mission Creek, California. He was elected president of the Band and under his guidance, a constitution and by-laws in the form required by the Bureau of Indian Affairs, was adopted and in due time approved by the Secretary of the Interior. The business affairs of the Band have since been conducted according to the provisions of this document. MEMORANDUM

TO: Schedule Committee

FROM: Rose Mary Woods

Former Congressman Harold Lovre called on December 2 to say that the Chowder and Marching group would like to have something just for their members during Inaugural week.

However, when this was discussed, Don Jackson mentioned that maybe they could have a party for RN's birthday.

This would be for Chowder and Marching members and their wives.

Lovre's numbers in Washington, D. C. are:

Office	202/DI 7-7557
Home	202/949-2911

His office address is 639 Woodward Building.

Please let him know what the answer is on this one.

MEMORANDUM

TO: Bob Haldeman  
Dwight Chapin

FROM: Rose Mary Woods

As I believe I mentioned previously, the Women's National Republican Club is most anxious to have RN do at least a drop by at their annual luncheon on January 25.

I told former Congresswoman Katharine St. George that I did not think there was even a ghost of a chance for this. They are asking Mrs. Nixon to attend and receive the citation which they gave to Mrs. Eisenhower last year.

(Mrs. St. George understands that RN will probably not come to this luncheon at all. However, she said that Mrs. Finger said last year RN promised to come back this year no matter how the election turned out.)

2. United States Civil Defense Council requesting a meeting with RMN for discussions concerning the course that the Civil Defense program will take. Telegram signed by Arthur E. Burrell.

3. A telegram from Gene Pulliam suggesting a meeting between RMN and 20 to 25 leading publishers early in the Administration.

MEMORANDUM

TO: Bob Haldeman/ Dwight Chapin  
FROM: Rose Mary Woods ✓

George MacKinnon called on November 14 to discuss whether RMN would like to be asked to drop by -- or attend -- the National Football Foundation and Hall of Fame Black Tie Dinner at the Waldorf Astoria on December 3rd.

This is the BIG dinner of the year in football circles and Fred Hovdy is on the governing committee. George will not mention it unless RMN wants him to do so. Bud Wilkinson is also on the committee but George feels this should be removed from any "Nixon" people as such.

DO WE WANT HIM TO CHECK THIS OUT?

YES \_\_\_\_\_

NO \_\_\_\_\_

(This is normally the type of thing that RN does like but I do not know whether he will feel he should attend this year. rmw)

MEMORANDUM

TO: Schedule Committee  
FROM: Rose Mary Woods

Former Congressman Katharine St. George called to ask whether the President-Elect would be willing to come by under any rules we want -- just a drop by -- a walk on or what-have you - for the Women's National Republican Club luncheon at the Waldorf Astoria on January 25.

RmW told her it would seem highly unlikely that he could come back up to New York for the luncheon so soon after the Inauguration but that I would forward her request to the schedule committee.

Mrs. St. George then said she would call tomorrow morning -- Friday, 15th, to see whether he could accept their invitation.
