MEMORANDUM

TO: Dwight Chapin
FROM: Rose Mary Woods

Loren Berry called again on December 2,
saying he still would like very much to talk with RN.

He was going to be in Dayton that day and then
going to Florida on the 3rd.

His call has been in a long time and RN should
decide some day to try to return it.

Even though he is in Florida you can place the
call to Dayton and find out where to reach him there, as he probably
is there for the winter.

I understand Senator Smathers tried to reach the President-Elect twice yesterday and they were unable to get together on the phone.

Senator Smathers is now in Washington, D. C., area code 202, 225-3041. He has an appointment at 10:30 AM tomorrow morning with President Johnson.

Bebe thought RMN might want to talk with him this afternoon before he goes to see the President.

Dear Louise:

Because we have been swamped with mail and telephone calls since Election Day, this is the first opportunity I have had to thank you for your letter of November 13.

I am writing now to assure you that your most thoughtful letter has not been sitting on my desk all of this time. I had a xerox copy made for the man who is processing most of the recommendations for appointments on committees and in agencies as mentioned in your letter. I am as well today sending a copy to Pat Hitt who has just returned from a brief vacation.

While I will be making my headquarters on Pennsylvania Avenue in Washington now, I still hope I will have the pleasure of seeing you from time to time.

With kindest personal regards,

Sincerely,

Rose Mary Woods

Miss Rose Mary Woods

Dear Rose Mary:

The press is perhaps turning over a new leaf as it has been kind to you as of Monday and may I add, it's about time.

I watched you in the Waldorf Ballroom during Mr. Nixon's acceptance speech and what I saw moved me perhaps as much as the words spoken by the President-elect. It is very seldom that one is privileged to witness the result of 17 years devotion and labor. It is even rarer to know that in a fairly shoddy world there still exist self-less people who can make of brains and spirit something beautiful.

Thinking in terms of not only the first four years of the incoming Administration, but hoping and planning for the following four, it has occurred to me that things will be a little easier for the President-elect if he has, serving on certain Committees, intelligent, unemotional, hard-working Republican women leaders.

The General Federation of Women's Clubs, i.e., GFWC, is an organization that has played an auspicious role in this election. The almost 18,000 kits of "Work to Win" were well used and based upon my knowledge of the organization, (both in and out as I now happen to be serving on the GFWC Board of Directors), the following suggestions are based on professional experience.

The President of the organization, Mrs. Walter V. Magee (whom you know), would be perfect on any Commission or Committee on Morality, or Youth Problems -- Juvenile Delinquency. As an Ohioan, she will also represent the prestige in this part of the country that is due her state and surrounding areas. She has already made a telling impact on her states and members. This woman is a marvel.

Miss Rose Mary Woods

She stays in office until June of 1970 and she will be followed by Mrs. Earl A. Brown, first Vice President, GFWC, from Pennsylvania. Mrs. Brown is a conservative but an entirely different type of woman. She was selected as Pennsylvania's Mother of the Year in 1962. She is a "home body" type - quiet and she was appointed in 1967 to the National Association for Retarded Children Advisory Board.

Mrs. Brown goes out of office in June 1972. She will be followed by Mrs. Kermit V. Haugan, 4440 Parklawn, Apt. 201, Minneapolis, Minnesota 55435. She is a Republican, a former teacher and has traveled extensively. She's been past President of her state Federation and she has held Division Chairmanships on the Federation Board of the International Affairs Department as well as being Legislative Chairman and Scholarship Chairman. I suggest that Mrs. Haugan be asked to serve on an Education Committee of the new Administration. She will become GFWC President, the June of 1974, which will be five months prior to reelection of Mr. Nixon, if he so desires.

The other member of the GFWC Executive Committee, important to the President-elect, is Mrs. Carroll E. Miller, 3rd Vice President, who lives at 820 Hastings Avenue, Missoula, Montana 59801. Mrs. Miller will be President of the GFWC during the last two years of Mr. Nixon's second term. She is a remarkable woman. Her working record is too long to recount. Sufficient to say that she is a strong conservative. She worked very hard for Mr. Nixon and has been a member of the West Virginia Federation as she lived in Charleston prior to her marriage five years ago. She has served ten years on the GFWC Board of Directors; she was one of the best Public Affairs Department Chairmen ever. She will make a very strong, active national President. She was one of the most outstanding Safety Chairmen the Federation ever had. I feel sure she would be glad to serve as a member of the Safety Commission in the new Administration. She's involved in many of the important areas helpful to the state of Montana as well as keeping her fingers, in giving West Virginia a lift whenever possible. This is a quality volunteer.

The following women are suggested as top-flight candidates for service on special Committees based upon their experience, excellence and in terms of what they can do to enhance the quality of the new Administration.

Mrs. Americo Chaves, 156 Westminster Avenue, Arlington Heights, Massachusetts 02174, is immediate past President, Massachusetts Federation of Women's Clubs. She is Chairman for both GFWC conventions in Mrs. Magee's Administration; the first to be held in 1969 in Cleveland, Ohio, the second to be held in June 1970 in San Antonio, Texas. Mrs. Chaves (pronounced Chavs) was a top-flight Citizenship Chairman on the GFWC Board. She is a Republican and has a large following in Massachusetts.

November 13, 1968

Page 3

Miss Rose Mary Woods

Mrs. Mitchell Doumit, Chairman, Public Affairs Department, GFWC, lives in Cathlamet, Washington 98612, and is largely responsible for the leadership and wide usage of our "Work to Win" kit in the recent election. She is a strong Republican and handles groups of women like an expert. She would be a great addition serving on any Committee.

Mrs. Lorraine E. Dudley, 3449 South 10th Street, Abilene, Texas 79605, a past President of the Texas Federation of Women's Clubs, is a former Education Chairman for GFWC, now serves on the Board of Resolutions Committee. Mrs. Dudley is a tremendous worker, a strong conservative, would fit in almost any situation and I believe has a penchant in the field of Health, Education and Welfare.

Mrs. James Segraves, 518 Lincoln Highway, Belleville, Illinois 62221, past President of the Illinois Federation of Women's Clubs, is presently Chairman of the Education Department, GFWC. Mrs. Segraves is an avid fan of the President-elect. She made innumerable speeches all over the country about the importance of electing a man of his calibre, and she spoke in many Negro areas purposely. She was a brilliant President of the Illinois Federation and would greatly enhance any Board on which she serves.

Forgive me for the length of this epistle, but when I see in the papers long lists of names of people under consideration, or who might be suggested as possibilities for positions either paid or unpaid in Washington, I think that a thoughtful letter of this kind, prompted only by friendly interest, is necessary.

Of all the organizations I know and belong to, none serve the same purpose nor represent as a whole, healthy conservative thinking as does GFWC.

The American volunteer helped build this country. I beg of you to exert your influence to the utmost in placing volunteers who have truly earned the privilege in spots where they can do most good for the Republican party as well as for the American people.

Cordially,

Louise Bushnell, (Mrs.)
UN Chairman, GFWC

Attached is Mildred Hilson's biographical data. Do as you see best. She is very much grande dame and really puts the pressure on me for what she wants, including endless phone calls. I have to be nice to her because she did give us a sizeable contribution. Maybe Pat Hitt can add her on to her lists.

The attached note is for RN. I missed seeing him last night as I was busy chatting with John Mitchell and then had to run to my dinner. I did want to congratulate him directly, as his victory has been particularly sweet to me in New York what with Rocky and company.

I hope we'll have a chance for a lunch one day soon, or a drink. It is always my pleasure to see you.

MRS. EDWIN I. HILSON, nee Mildred Helen Stern. Born March 30, 1898, Brooklyn, New York. Residence, The Waldorf Towers, New York City. Vice-President of the Hospital for Special Surgery, New York City. Member of the Board of Trustees of Eisenhower College. Member of the Board of Trustees of the American Cancer Society. Member of the Board of Trustees of Freedoms Foundation at Valley Forge. Appointed by Mayor Lindsay to be his Representative on Cultural affairs for the City of New York. Member of the Board of the Council of the Arts, New York City. Honorary Trustee of the Cultural Foundation, New York City. Former First Vice-President of Women's National Republican Club. Vice-Chairman National Citizens for Eisenhower (1952). Appointed by President Eisenhower to serve on the Council of Inter-Governmental Committee for European Migration. Vice-Chairman National Citizens for Eisenhower-Nixon (1956). Active Nixon-Lodge (1960). Vice-Chairman New Yorkers for Nixon-Agnew (1968). State Chairman Citizens for Jacob Javits (1968). War services include Member of the Board USO, American Red Cross and Vice-Chairman Women's Military Services Club.

Dear Customer:

THANKS TO YOU, Your Bank has progressed to the point where it is now practicable to go on computer. You will find service improved even more as a result of this change.

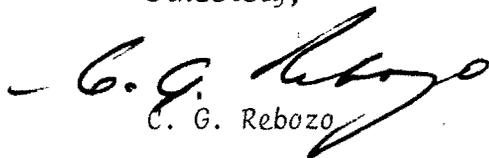

This statement is a computer product. It is hoped you will be pleased with the form. Among other features, the new statement shows the total of your deposits and the total of checks drawn, in addition to the balances on hand at the beginning and end of the month.

One new feature which we are sure you will appreciate is the form on the back of the statement to simplify reconciliation of your account.

In the past, service charges were reflected in the subsequent month's statement. This new statement, because of computer efficiency, will reflect the charges in the month they occur. Hence, your first statement may have two service charges shown. One will be for the previous month, and the other for the current month on the new system.

Your continued patronage is highly valued, and your contribution to your Bank's continuing growth is gratefully acknowledged and genuinely appreciated.

Sincerely,

C. G. Rebozo
