Dear John:

You may remember that quote from Rufus Choate:
"The lawyer's vacation is the space between the
question put to a witness and his answer." And now
that I've reminded you of it, I'm sure that you can
apply it to the year between your last birthday and
this one. I fear there wasn't much space for you
between running the campaign and then getting in-
volved in government. But I'm sure the pace will
let up a bit in eight years or so.

What I really want to say is Happy Birthday! And
many, many more of them.

Sincerely,

[RN]
