MEMORANDUM

TO: Bob Haldeman
FROM: Murray Chotiner

We are getting letters from spiritual leaders of the various faiths, offering to give prayers at the Inauguration.

We cannot reply by saying this is in the hands of those in charge of planning the Inauguration (Senator Dirksen et al). Senator Dirksen's office advises that the four spiritual leaders who give the prayers and the person who sings the Star Spangled Banner is designated by the President-Elect.

If we refer these letters to Senator Dirksen, he will refer them right back, according to his staff.

Please let me know whether we can reply to these various requests by saying that the individuals have already been selected and thank them for their offer, etc. etc.

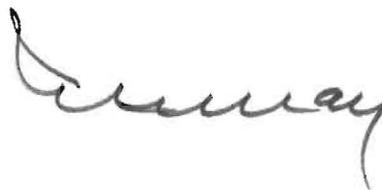

For your information the four denominations in alphabetical order, are: Catholic, Greek Orthodox, Jewish, and Protestant.

The Very Reverend Francis B. Sayre, Jr., has offered his cathedral in Washington for a commemorative service as a feature of the Inauguration and is available to work with anyone of RN's choosing to prepare it.

Attached are examples of the request we have been receiving; if you want me to reply, please return them to me.

This isn't exactly the most pressing item on your agenda, but it will help us if you make it so.

PRESIDENT ELECT RICHARD NIXON

DEC 3 1968

[Signature]

Mr. Richard Nixon
% The White House
Washington, D.C.

Date 1968

Dear Mr. Nixon:

On January 20th you will be inaugurated as President of the greatest country in the world, the United States.

May we remind you that Dr. J. H. Jackson, President of the National Baptist Convention U.S.A. Inc., with a membership of 6,500,000 Negroes, supported your candidacy. Dr. Jackson has opposed "Civil Disobedience" and supported "Law and Order" from the date of passage of the Civil Rights Bill, while others were promoting "Civil Disobedience".

There is no member of his race better qualified than Dr. Jackson to help unite our Nation and we urge you to give him his well deserved recognition.

Sincerely,

Gerald C. Nordberg

DEC 4 1968

Dear Mr. Nixon:

On January 20th you will be inaugurated as President of the greatest country in the world, the United States.

May we remind you that Dr. J. H. Jackson, President of the National Baptist Convention U.S.A. Inc., with a membership of 6,500,000 Negroes, supported your candidacy. Dr. Jackson has opposed "Civil Disobedience" and supported "Law and Order" from the date of passage of the Civil Rights Bill, while others were promoting "Civil Disobedience".

There is no member of his race better qualified than Dr. Jackson to help unite our Nation and we urge you to give him his well deserved recognition.

Sincerely,

Hazel B Boothe (Mrs)

THE ELECTION IS OVER

and the results indicated a conservative up-trend demanding "Law and Order and a return to Constitutional Government".

POSITION OF THE NATIONAL COUNCIL OF CHURCHES

The following is from "Christian Century" an unofficial publication of N.C.C., Oct. 30, 1968:

"Four years (and perhaps eight) is too long to turn the Nation over to one who does not inspire trust in the area of foreign policy, who temporizes with racism and uses the issue of "law and order" as a basis of repression, who evidences no bold or imaginative programs for dealing with the economically deprived sectors of the nation, and who by his selection of a running mate has shown a monumental disregard for the awesome responsibilities of the presidential office."

The N.C.C. prepared for a possible Nixon election and state in the same editorial that Mr. J. Irwin Miller, former president of the National Council of Churches, "is one of the most celebrated foreign policy advisers in the Nixon Campaign - - and in the event of a Nixon election, could prove to be a vital communications link between liberal church leaders and the White House".

"IT CAN HAPPEN HERE."

The above is the heading of an article in the October 19, 1968 issue of "Information Service" an official publication of the National Council of Churches. The church leadership is not afraid of Communists but rather the fear is of fascists. The following statement appears in the article:

"The American Communist Party is at an all time ebb, scorned by the 'new left' and the students, virtually bankrupt, splintered and ineffectual."

Perhaps the National Council of Churches were just trying to help another down-trodden minority group when they sent out Gus Hall's interview stating that the objectives of the Communist Party and the liberal Church are so similar that they should be working together. In their sorrow will they continue to support this ailing brother known as World Communism, after all they have only worked together for the past 50 years?

THE EUGENE BRADLEY CASE.

Governor Reagan, on Nov. 8, 1968, notified James Garrison that he would not sign extradition papers on Eugene Bradley since Mr. Garrison gave no proof that Mr. Bradley was in Dallas in 1963. Jim Garrison, the New Orleans District Attorney who requested the extradition, is now himself involved in a Federal investigation for possible links with organized crime and the investigation is being done by a Federal Grand Jury. It has been our opinion from the beginning that this has been a political harrassment of Dr. Carl McIntire by whom Mr. Bradley is employed. It also was a case which would be time consuming and expensive.

BISHOP JAMES A. PIKE.

Time Magazine of October 18 reported that Bishop Pike officiated at a Communion Service at St. Aidans Episcopal Church, San Francisco, celebrating the 150th Anniversary of the birth of Karl Marx. (The father of Communism)

SOME TOUGH TALK TO NEGROES FROM A TOP NEGRO MINISTER

DR. JACKSON

Here is blunt advise for Negroes from a church leader. The Rev. Dr. J. H. Jackson says the civil-rights fight as originally planned has been lost. He tells why—and points a way out.

Dr. Jackson for 15 years has been president of 6.5 million Negro Baptists.

Following are excerpts from an address by the Rev. Dr. J. H. Jackson, president of the National Baptist Convention, in Atlanta, Ga., Sept. 5, 1968:

After giving due regard for all the gains in the field of civil rights in recent years, I am convinced that as originally planned the civil-rights fight has been lost.

Originally, the fight had been planned to achieve complete integration into the economic, cultural and political life of the nation. It was to be carried out in the light of and by the power and directives of the Federal Constitution. It assumed that victory could come without Negroes becoming the apostles of segregation or the messengers of hate and malcontent. It was built on faith in the nation as a whole to fulfill all the promises of first-class citizenship. . . .

Why has the fight been lost? . . .

We have lost the fight psychologically, for there are many today that have lost faith in this nation and do not believe that the U. S., as it is now constituted, can and will grant first-class citizenship to all Americans.

Many now believe that civil disobedience is a more powerful and dependable weapon for achieving civil rights than are the just laws and the courts of the land. We have lost in practice the nonviolent aspect of the struggle that was so long held in theory. The many acts of destruction, such as the burning of cities, rioting, looting, and killing that are now associated with the struggle, are grim testimony that we have lost the nonviolent aspect of the struggle.

The American Negro has now lost the image that he once had as an innocent, helpless, yet deserving and worthy creature who needed only a chance. He is now regarded as one of the most dangerous threats to the orderly conduct and growth of American life. For the first time in our history, the Negro has earned the title of a leader of riots, and, for the first time in our history, the Army of the U. S. has placed the Negro on the list of dangerous enemies of the nation against whom the nation must be defended.

While we have lost many of the white "liberals" who have supported the cause of civil rights from an unselfish point of view, . . . the Negro race has won as companions other white "liberals" who are determined to use the Negro race to help them divide and destroy the unity, fellowship, and life of

this nation. . . . The purpose of these white "liberals" is the complete regimentation of 22 million Negroes as an army, to be marshaled under their leadership and direction, and to be used by them at will.

The most tragic loss in the civil-rights struggle is seen in the fact that many Negroes in the name of civil rights have now turned their backs on the progress made in the field of legitimate integration, and are themselves now preaching a doctrine of separatism or voluntary self-segregation. . . .

There is a way out. Negroes in the U. S. must assume the same type of responsibility for saving this nation as any other group of American citizens.

I am still convinced that, in the long run, dedication to the laws of this land is better than any form of lawlessness or any acts of civil disobedience.

Negroes must make it crystal clear that they will not be used or deceived by politicians who make long and loud promises, but are exceedingly short of fulfillment.

Any group of white Americans who condone us in any form for lawbreaking, and who encourage us to demonstrate in such a way that we hinder our own growth and development—such leaders do not plan to give to us first-class citizenship or to recognize us as equals under the law.

Let us then rise above all movements and all plots, and work as Americans to make America a free land of free people in which and by which the democratic process can unfold in its fullness, and the rights of all can be protected without compromise.

We must now begin to consolidate our gains. Use the ballot to help correct the political evils of our nation. Use our books to learn and know the facts of history.

We can begin seriously in our homes, and create an atmosphere in which our children can live in confidence and in commitment to the best and the highest standards of life.

Let us form small economic units, and pool money and invest in small projects and learn the creative use of money.

Let us convince ourselves and teach our children that this nation was never intended to be a community of separate and divided races and nationalities.

Let us make our streets as attractive as possible by putting on them men and women who respect the rights of others.

Let us continue a program of integration which allows for the full and complete use of all our resources without in any way seeking to destroy the resources of other individuals and groups.

The reason why we do not attain our objectives is because we have not willed to do so. There are no barriers but ourselves; no barriers but our own indifference; no hindrances but those that come from our own minds and spirits. The resources are within our reach. We must dig for them or they will not be made available to us.

Let us have confidence in the leaders we make, and let us seek to make more leaders in whom our children can have confidence, and let us take seriously the development of our racial gifts without in any way using these gifts as an occasion to stir up animosity and envy against other groups and individuals.

We must no longer believe that white racism is powerful enough to control our thinking and to mold our characters against our will.

A "PAUL REVERE" MESSAGE — SEND TO A FRIEND — SPREAD THE ALARM — DON'T DISCARD
THE SECOND LARGEST DENOMINATION AFFILIATED WITH
The National Council of Churches of Christ
Is The National Baptist Convention U. S. A., Inc.

This denomination is presided over by Dr. J. H. Jackson, who for 15 years has been president of 6.5 million Negro Baptists. Dr. Jackson is a Bible preaching patriot who loves both God and Country.

We call your attention to an objective report by the U.S. News & World Report on the annual convention of this denomination held in Atlanta, Georgia, Sept. 5, 1968. (See reverse side.) This report is fair and objective. Now compare this with the slanted smear report on the same convention put out by;

Newsweek, September 16, 1968

This report appears on page 88 and is headed "Law and The Old Order".

"With its 6.5 million members, the National Baptist Convention, U.S.A. Inc. is the largest and wealthiest Negro organization in the world. It is also the most bourgeois. There were no African-style hair-dos or brightly colored Afro-American dashikis in sight in Atlanta, Ga., where the National Baptist held their annual convention; only women wearing pill box hats and men looking their middle-class best in dark suits."

"From his \$99-a-day suite on the seventeenth floor of Regency Hyatt House hotel, the convention's president, Dr. Joseph Harrison Jackson, looked out over the hometown of the late Martin Luther King etc., etc."

Newsweek gets over its message that this 6,500,000 denomination are not good prospects for the revolutionary N.C.C. white leadership, even to using the Russian Communist word "bourgeois" to describe them. In the article they go on to point out that Martin Luther King and other civil-rightists tried to unseat Dr. Jackson in 1960 while Dr. Jackson a few months later had Martin Luther King removed from office as Vice President in charge of the Youth Division.

The Communist Party U.S.A., dating back to the year 1954, called for the support of Martin Luther King. Dr. Jackson was aware of Dr. King's communist backing before he dismissed him as Vice President of the Youth Division. That did not deter the white leadership of the National Council of Churches at their General Board meeting of June 9-10, 1961 from throwing their support behind Martin Luther King by a vote of 55-44. After all he already had the support of the Communists and the Church leaders did want a revolutionary activist, since objectives were about the same. (See Publ. 171 if you doubt it.)

The Religious News Service in a report date-lined Cleveland, Ohio, September 9, 1963 quoted Dr. Jackson in his presidential address at the denominations annual convention, which took place just a few days after the Reuther-N.C.C.-King Coalition's March on Washington of August 28, 1963 as follows;

"Dr. Jackson called on his followers not to rally behind any group of leaders, black or white, who seek to lead us into rebellion against our Nation and the just laws of the land."

If the white N.C.C. leadership had supported a similar philosophy instead of the philosophy of the Communist Party, today's problems for the most part could be much easier solved. Dr. Jackson's address is 3101 South Parkway, Chicago, Illinois 60616. Why not let Dr. Jackson know that he has your support. Walter Reuther lists Dr. Jackson in his Group Research Report of July 31, 1968 as a "right-winger."

Dear John:

Dr. Joseph H. Jackson, President of the National Baptist Convention, who endorsed Mr. Nixon two weeks or so before the election, has expressed interest in:

- 1) Saying a prayer at the Inauguration, and
- 2) Being named Chairman of a National Commission on Unity.

I told him I would pass along his requests, and I presume you will see that they get to the right people.

We have also received a request that Rabbi Morris M. Hershman of Joliet, Illinois, be invited to represent the Jewish faith at the Inauguration.

Best wishes.

Dear John:

Re: Prayers at the Inauguration

Although I did suggest that the four long prayers in the LBJ inaugural were too much, I think it would be a mistake to reduce the number of clergymen to two.

The country has been so accustomed to the concept of "Protestant, Catholic and Jew," that to omit any one of the three on this particular occasion might be misinterpreted.

If you get an ironclad promise from the three clergymen to stay under a minute each, you will really have no timing problem. But even if you do, I really think that is a trivial matter compared to the possible flak about omitting a Catholic or a Jew, particularly in view of the "together" theme.

Incidentally, that was a tremendous success Wednesday night. In case you missed it, I thought you would enjoy the enclosed comment from the Wall Street Journal about the recognition given to Mayor Washington. I think this played well everywhere.

Sincerely,

Dool

Nov. 20, 1968

Dear Senator Dirksen:

Since you are co-chairman for the Inaugural Program, may I suggest a singer whom I feel would make an outstanding contribution to the ceremony? She is Mme. Eve Bauman, 633 Ashbourne Drive, Sunnyvale, California 94087, telephone (408) 245-7359.

While recently in California, I was guest at a dinner where Mme. Bauman was singing and was so impressed that I went up to talk to her. Her picture was on the wall along with both President-elect Nixon and General Eisenhower, all taken with Mario, then Maitre-D. at the Sheraton-Palace in San Francisco. She began campaigning for Nixon two years ago enthusiastically and mentioned the close of his acceptance speech bringing out the achievement of a small town boy. She felt that it would be a glorious achievement for her as a naturalized citizen to use her talents for him. As a matter of fact, she was chosen to sing "The Star Spangled Banner" at the reopening of the Palace of Fine Arts in San Francisco, at the beginning of the Golden Gate Park concerts and on "United Nationalities Day."

She was a citizen of Naperville, Illinois until her husband's work for the space program at Lockheed took her to California. Now that her four sons are growing up, she is once again resuming her musical career.

I was so intrigued by this idea that we managed to tape a snatch of her singing that night and am sending it to you so that you might get an idea of her singing.

With the best of wishes, I am

Most sincerely,

Dr. Carolyn Barbour LeGalyon, International known musician, began piano lessons at 6 years of age. She played in musicals 3 months later. From age of 12 studied piano with Frank Nelson, usually written of as "THE MUSIC KING OF THE SOUTH", this because students came to him from many Southern states. He was organist and director of 50 singers in The Episcopal Church, Knoxville, Tenn. Seven years later, Dr. LeGalyon became Pipe-Organist, with the choir in the Presbyterian Church. At 20 years of age she spent 3 years studying 5 branches of music in Peabody Conservatory of Music.

We are very happy that everyone has been so cooperative during the past eight months in connection with our missionary work for the United Nations. We are particularly grateful to our many friends from various denominations who have helped, such as Mrs. C. Brother, Chairman of the Program, and Miss C. Neil, Co-Chairman. Both of them worked very hard.

We also want to express our appreciation to the Richards family: Dick, Abraham, and Mrs. Richards, for their assistance. The musical talent deserves special thanks. Performers have included Miss Vita Bufalo, Miss Glory Seage, Mr. George Moran, Mr. Philip Francisco, Mr. Marco Sorisio, Mrs. Ann Liebler, and Dr. Carolyn B. LeGalyon. God bless them for their contributions.

We are very grateful to Mr. Harold Snyder who brought many distinguished artists to the services. May God have grace on him and his friends. We love them very much.

Dear Reverend Coggin:

Your letter to the Honorable C. R. Jonas has been received by the Inaugural Planning Committee.

Unfortunately, Reverend Coggin, the format of the 1969 inauguration prohibits the Planning Committee from including your cantata in the ceremonies.

The entire Committee joins with me in thanking you for your gracious offer and wishing you all the joys of the holiday season.

Very truly yours,

Dear Reverend Coggin:

This will acknowledge your letter of May 18, 1968, to the Honorable J. R. Jonas, in which you suggest that your cantata, a copy of which is attached to your letter, be used in the 1969 Inaugural program. Included in your file are letters of transmittal from Senators Dirksen and Jordan of North Carolina.

Inasmuch as the President-elect has the privilege of selecting the material which is used in the Inaugural Ceremonies on January 20, 1969, we are today forwarding your entire file to Mr. John Ehrlichman of the staff of the President-elect.

Very truly yours,

Dear Charlie:

You will recall that on June 9 you wrote me on behalf of the Reverend Mr. Elwood Coggin of Charlotte, enclosing a copy of lyrics from a cantata he has composed, which he hopes can be used in the 1969 Presidential Inaugural program.

As you know, following the election of Mr. Nixon I resigned as Chairman of the Joint Congressional Committee on Inaugural Ceremonies in favor of the senior Republican on the Joint Committee, the Honorable Everett Dirksen.

I am therefore taking the liberty of sending him the file of correspondence with Mr. Coggin which you sent to me.

With all best regards,

Sincerely,

Dear Charlie:

This will acknowledge and thank you for your letter of June 6, 1968, together with its enclosures from Reverend Elwood Coggin of Charlotte.

It has been a long-established practice by the Joint Congressional Committee on Inaugural Ceremonies to seek the wishes of the President-elect regarding the program of the actual swearing-in ceremonies held on Capitol Hill.

Inasmuch as we will not know until possibly November 6, 1968, who the President-elect will be, there is nothing we can do at this time. Your letter and its enclosures will be placed in the files of the Joint Committee for future referral.

With all best regards,

Sincerely,

Enclosed is a copy of a letter I have just received from Rev. Elwood Coggin of Charlotte along with lyrics from a cantata he has composed. Rev. Coggin would like to know of the possibilities of his cantata being used as a part of the inaugural program in January.

I am sending this to you because you served as Chairman of the Inaugural Committee in 1965 and hope you will forward Rev. Coggin's lyrics to the people who make decisions on matters such as this.

Dear Mr. Jonas:

You will find with this letter a copy of the text to a short cantata which I wrote for the celebration of the Two Hundredth Anniversary of Charlotte. It was presented five times, as you will see on the program.

Do you know of a possibility of this being used as a part of the Convention or the program for Inauguration Day next January? Any suggestions you have will be appreciated.

Thank you for your fine work!

Sincerely,

LET US GO ON

Text by Elwood Coggin
With Selections from The Psalms

Music by Elwood Coggin

I. Liberty! Freedom! Justice! Truth!

We are indebted to those who have preceded us in the struggle for Liberty!
Freedom! Justice! Truth!
For these men in every generation have fought and died. Their sacrifice has
brought us to this day.

"The Word of the Lord is right; and all His works are done faithfully.
He loves righteousness and justice." (Psalm 33:4-5a)

II. In the darkness of man's being there is greed, prejudice, hatred.

"God rules by His power forever; His eyes behold the nations; let not
the rebellious exalt themselves." (Psalm 66:7)

In man there is greed, prejudice, hatred.

"Let God arise and scatter His enemies; let them that hate Him flee
before Him." (Psalm 68:1)

III. "God looks down from heaven upon the children of men, to see if there
are any who understand and seek after Him." (Psalm 53:2)

Man with his Creator can be a force for kindness, mercy, love.

IV. Let us overcome the littleness which enslaves men's souls and limits minds.
Let us seek the truth, strive for justice, and fight for freedom for all men.

V. "Teach us Thy way, O Lord, that we may walk and live in Thy truth.
Direct and unite our hearts to fear and honor Thy name that the
generations to be born may arise and set their hope in Thee, and
keep Thy commandments." (Psalm 86:11-12; 78:6-7)

Let us seek the wisdom to see beyond our narrow way to that new day when
men shall live as brothers.
Let us live these truths which we profess: Liberty! Freedom! Justice!
Truth!

VI. Let us go on with courage and the assurance that the God who made us and
brought us to this day will lead us on to Liberty! Freedom! Justice!
Truth!
Let us go on!

Scored for Organ, Chorus of Mixed Voices, three trumpets, three
timpani, and Narrator.

Duration: Ten minutes.

Your letter to the Honorable Strom Thurmond has been received by this office.

Although your offer to present Mr. Nixon with a citation is appreciated, it will be impossible during the inaugural weekend. The President's time during that weekend is already so filled it is impossible to add any events to his schedule.

We are deeply honored to be considered for your citation, and hope that you can appreciate our inability to accept it on that busy, busy weekend.

Dear Mr. Ehrlichman:

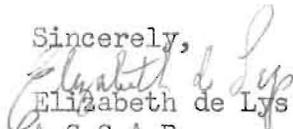

Some of us here in California are still somewhat mesmerized in happy orbit after watching Mr. Nixon reach the highest star. However, now that we have had a little sleep, I know we must now land and start preparing for the future.

It has occurred to me that possibly my song, Good Things, might be of some use in the future for some of the festivities and balls following the inauguration ceremonies. And, after watching the charm, good sense and most of all loyalty of the lovely Nixon girls on the TV Telethon, the thought occurred to me that possibly the song might be something that could be used by them as a sort of back-up to the program Mr. Nixon presented that night. Perhaps if it could be sung by them, with a group of girls backing them up, it might be of some benefit to Mr. Nixon during the next trying, few months.

If you wish any information about me, personally, Mr. Paul Weirick, V.P. and Gen. Mgr. of the Lawrence Welk Orgs., as well as Mr. Sonny Burke and Mr. Jimmy Hilliard, supervisor of Warner Bros. Records will give it to you.

I hope you like the song, Mr. Ehrlichman, and that it proves helpful in some way. There is no need to return the leadsheets in any event. Thank you.

Sincerely,

Elizabeth de Lys

Dear Bill,

I should like to suggest most enthusiastically, the name of Rabbi Morris M. Hershman of Joliet to represent the Jewish faith at the inauguration of President-Elect Richard M. Nixon. Rabbi Hershman is respected and highly regarded across the county as an articulate, able man. He has presided over and given blessings for many Republican events in Will County, including introducing Senator Everett M. Dirksen on several occasions.

We in Will County earnestly urge your consideration or Rabbi Hershman in this regard, and would deem it an especial recognition of Will County efforts in behalf of the Republican cause.

Sincerely,

Thomas Feehan,
