Dear Mr. Harlow,

Just wanted to add my congratulations to the myriads I know you are receiving on your appointment. How fortunate the President-elect is to have you on his team!

I hope to be able to work with you again. I've indicated to Mr. Hopkins that I would like to stay on in the new Administration, if possible. As you know, I've been here since the beginning of the Eisenhower Administration working first for the Counsel and since then in the appointments office. Right now, I work with Jim Jones and maintain control and handle mail addressed to the President on invitations and appointment requests. So - if you feel you could put in a good word for me, I know it would be helpful. If not, I will certainly understand.

Meanwhile, if I can help in any way, please let me know.

Sincerely,

P. S. Don't take the time to acknowledge this - I'm sure you are "swamped."
MEMORANDUM

TO: Dwight Chapin
FROM: Bill Timmons
SUBJECT: White House Personnel

DATE: Nov. 18, 1968

Bryce Harlow would like to discuss with you the possibility of utilizing Helen Coile in your White House office.

Helen worked under President Eisenhower and was retained by Presidents Kennedy and Johnson. She currently is secretary to James R. Jones, the appointments secretary.

Mr. Harlow knows her as a dedicated and loyal Republican who is expert in her work.

Will you get together with Bryce when you have a chance?

Dear Helen:

I am no less than delighted by your November 15 letter. Let me simply say this -- I am strongly recommending to the appropriate folk on the Nixon staff that you be utilized just as fully and as usefully as you were by the Eisenhower people, and as apparently you have performed in the succeeding Administrations. I know your capabilities and am delighted that you would like to stay. I earnestly hope this will work out, and rather think it will.

I look forward to seeing you when we resume the old stand!

With cordial regard,

Sincerely,

At 11 a.m. Senator Tower’s secretary called with regard to setting up an appointment with RN. I informed the secretary that if she wished to schedule an appointment before the Inauguration, it would be impossible.

She asked that I mention to you that Senator Tower would like to meet with RN along with Congressman Bob Wilson. Congressman Wilson was Chairman of the Congressional Campaign Committee. Senator Tower is Chairman of the Senatorial Campaign Committee. They would like to meet in connection with their respective committee responsibilities.

I can reach Senator Tower’s secretary at 225-2934.

Dear Dwight:

My good friend in Houston, Mr. L. F. McCollum, Board Chairman of Continental Oil Company, is also a Director of the Institute of International Education.

As you know the Institute of International Education is the most prestigious organization in its field and it is well and favorably known to the President-Elect. They are having an Awards Dinner in Washington which will be on February 19, 20, or 21. They would very much like to have Mr. Nixon present the awards to or to have him come by the meeting to deliver some remarks.

Mr. Nixon has done this before, I believe, when he was Vice President. President Eisenhower did this when he was President. I have been authorized by Mr. McCollum to invite the President-Elect to make such an appearance and I am hopeful that you will be able to arrange this. If you have any questions about this, would you please call me at my Washington office (202-225-2371) or my residence (202-362-1314).

I am sure that Mr. Nixon will know most of the Members of the Board of Directors of this organization and I believe it would be a most appropriate forum for anything of importance that he would care to say on the subject of education or international relations.

I recognize that you will have many demands for appearances by the President-Elect, but I am hopeful that you will deem this of sufficient importance that you can accept. Actually, we would appreciate a prompt response so that the Institute of International Education could shape up its final plans.

Warmest personal regards. Don't work yourself to death!

Yours very truly,

George Bush, M.C.

Thanks very much for your letter of December 17, 1968, extending an invitation to Richard Nixon to appear at the Mayflower Hotel on January 3, 1969, for a reception and banquet on the occasion of the start of your reelection to Congress.

The President-Elect is currently combining a brief vacation with necessary work and will not return to the East Coast until January 4th. I regret that previous commitments will prevent his joining you and your supporters on this occasion. I know he would want me to extend to you his warmest best wishes.

Dear Dick:

Your letter of December 5, 1968, has been received. Please accept my appreciation for your kind thoughts concerning my reelection to the House.

I agree with you that we shall be able to set up a productive and efficient Executive-Congressional team to provide the new leadership that our country needs. You can be assured of my fullest efforts in this regard.

I am having approximately 1000 people from my Congressional District at the Mayflower Hotel on January 3, 1969, for a reception and banquet. These people are coming to Washington to honor Margy and I on the occasion of the start of my second term in Congress. You will recall that you made an appearance at a similar affair at the Mayflower Hotel on January 10, 1967, when an equal number of people came to Washington on the occasion of my swearing-in at the start of my first term in the House. You have already received an invitation for the January 3rd affair and I hope that you and Pat will be able to be at the Mayflower Hotel, if only for a few minutes, to say "hello" to some of our staunch supporters.

Margy and I wish you and Pat a very merry Christmas and a very happy, prosperous and successful new year.

Kindest personal regards.

Mr. Nixon, I am making this request of your or I should say three ways: directly to you and Governor Ogilvie and Mr. Robert Bradford, executive director of the Illinois State Central Committee. It is my desire and request to have you speak at the Lee County Lincoln’s Republican Day program at the Dixon High School, Wednesday, February 12, 1969, 3:00 P.M. We can seat approximately 4,500 people. I would like to have a fund raising dinner just prior to the speech at the High School, time and place to be announced just as soon as this is confirmed.

RE: Senator-Elect Ed Gurney

Lois Elliot called to say that the Senator-elect will be coming to New York the night of the 8th of December and would like to see the President Elect for a very few minutes on either December 9th or 10th. Following that meeting he would like to talk to someone about patronage and how it works, etc.

If it would work better with the schedules here in New York, he could make it the 10th and 11th.

Dwight

I believe, under present plans, RN will not be in N.Y.C. either the 9th or possibly the 10th, except for a dash in on the 9th for a dinner, then immediately out again. So - most unfortunately, not available at that time. Possibly do-able later, could meantime meet with Hamigian re "patronage," Bryce
