THE WHITE HOUSE

WASHINGTON

ACTION

April 13, 1972

MEMORANDUM FOR THE PRESIDENT

THROUGH: H. R. HALDEMAN  
FROM: JOHN DEAN   
SUBJECT: Requirements of the Federal  
Election Campaign Act of 1971

This is to call to your attention the provisions of the Federal Election Campaign Act of 1971 (which became effective on April 7) that require every Presidential candidate to file with the Comptroller General a detailed report of contributions received and expenditures made. These reports are required four times a year and also on the 15th and 5th days preceding the date of any election, primary election or convention in which the candidate is running. Negative reports must be filed if the candidate neither receives contributions nor makes expenditures during the reporting period.

To comply with the Act in the easiest manner and to assure that no technical problems arise in this still unsettled area of the law, it is recommended that you not personally accept any contributions or make any personal expenditures. If this procedure is followed, all of the numerous reports that you must file will be negative reports. Given the fact that these reports will be publicly scrutinized, you may wish, however, to give some consideration at some time during the campaign to having the record indicate that you have expended some of your personal funds in the re-election campaign.

The new law further requires that each report be signed personally by the candidate and verified by a notary public. The Comptroller General has ruled that the candidate cannot authorize anyone to sign the report for him. Therefore, we will be sending each of these negative reports to you as they become due and suggest that Rose Woods notarize them. The first four reports are attached for your signature at Tab A.

There may also be certain state disclosure reports requiring personal signature. A list is currently being compiled and, at the appropriate time, the necessary state forms will be sent to you in the same manner as the federal forms.

NOTE: When the Congress realizes the enormous amount of paper work they have created for themselves -- as well as for Presidential campaigns -- they may very well ask themselves what in the hell they've done, and seek legislative relief!
