Needless to say, we have a long and tough campaign ahead of us, and it's going to require a tremendous effort on the part of all of us who are involved. Your good wishes are, therefore, greatly appreciated.

Dear Elton:

It is with a great deal of regret that I herewith submit my resignation from the Board of Directors of the Milline Club.

As I am sure you and the other members of the Board will understand, the project which I have taken on in managing the Nimon campaign for governor is going to preclude any and all outside activities for the next twelve months.

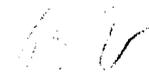

I especially regret having to resign at this time since I had been hoping that I was going to be able to take a more active part in Milline activities this fall since, as you know, I missed a number of the early meetings of the organization.

I do hope that the Board will see fit, in view of the fact that I was a Charter Member and a member of the original Board of Directors, to continue my membership in the Club even though I will probably not be able to attend meetings during the coming year.

I hope to be able to drop in to a meeting once in a while and, if so, will look forward to seeing you.

Best regards.

Sincerely,

H. R. Haldeman

FROM: Bob Haldean

For the record, RN has agreed with Doubleday that he will hold book autographing sessions in Los Angeles and San Francisco shortly after publication of his book.

He also agreed that he would make a trip to New York to coincide with the publication date at which time he would hold a press conference, grant interviews, appear on television and hold an autographing session.

McCormick has requested that we give him our recommendations for individuals to review the book in Los Angeles and San Francisco.

Dear Mrs. Good:

Thank you very much for your letter of November 8 offering to help in Mr. Nixon's campaign. I can assure you that your offer will be accepted with great gratitude.

I am very much aware of the ground work that is being done for other candidates in many areas of the State, and we certainly recognize the importance of Mr. Nixon's reaching the grass roots in the West Valley area as well as in the other parts of the State.

I think your suggestion of a luncheon of leaders, businessmen, and community figures in the 22nd Congressional District would be most worthwhile and something that we definitely would want to consider.

As I am sure you know, Mr. Nixon is planning to begin his intensive campaign activities shortly after the first of the year. He has to concentrate his efforts, prior to that time, on completing the book he has committed himself to write as well as to finish up various personal and legal practice matters.

I will be getting in touch with you as we start to develop the schedule for next year with the hope that we can take advantage of your very kind offer to arrange a luncheon, and also in order to discuss with you the areas of assistance in which you would be most interested in the forthcoming campaign.

In the meantime, thank you very much for writing.

Thank you very much for your November 7 letter. I appreciate your congratulations and want you to know that I, too, go into this with mixed emotions, since I will miss being involved in some of the UCLA activities that we had discussed for the year ahead.

I will, of course, be most happy to remain on the Public Affairs Committee and am more than glad to devote whatever time this activity requires.

I am especially sorry to be dropping out of the UCLA Day assignment, but the period just before the primary will indeed be an especially busy one and I am sure that I could not do justice to the UCLA Day project. I trust that your plans for this event will go ahead with another chairman, since I very strongly believe that it will be extremely helpful, on a long-range basis, for the University.

I, too, am sorry that Glen Lipscomb and I are not able to attend the Dinner on November 20, but I was very glad to hear that you have had a good response and are expecting a good crowd.

I will look forward to seeing you at the next meeting of the Public Affairs Committee and, in the meantime, best regards.

You were very kind to write on November 3 and I want to assure you that the attachments to your letter have been brought to Mr. Nixon's attention, and that he is writing to Michael Piro.

It was certainly a pleasure to have another visit to Syracuse even though it was such a short one.

Especially enjoyable, however, was the opportunity to see a \$100 dinner staged and executed to perfection. I am sure you realize that Dick was completely sincere in his statement that this was the best \$100 dinner he has ever attended, and I can certainly add a strong second to that.

I was also especially impressed with the extremely high caliber of the men and women you had from your staff who were working on the dinner, and I very much enjoyed getting to know them.

I do hope you will give us a call when you are in Los Angeles in December as it would be a great pleasure to see you at that time.

Thank you very much for sending on the copies of the Syracuse newspapers. I certainly do agree that they gave wonderful coverage to the Monday night dinner.

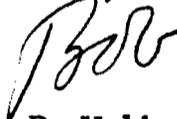

A principle reason for this, of course, was the fact that the dinner was so beautifully staged and executed, and no small part of the credit for this goes to you.

Mr. Lauder Hodges
Vice President
Citizens National Bank
457 South Spring Street
Los Angeles, California

Dear Lauder:

Thank you very much for writing on November 6 regarding my appointment in the Nixon Campaign.

I am very sorry that the announcement came as a surprise to you. As a matter of fact, I had tried to reach you several times by phone prior to publication of the announcement, so that I could give you an advanced warning.

I certainly agree with you that it is going to be a real job to win this one, but I am confident that we will do so. I very much appreciate your offer of assistance, and, assuming that you mean it, we will be asking for your help when the campaign gets under way after the first of the year.

Although I will, of course, have no responsibilities at J. Walter Thompson during the coming year, I am still very much interested in the possibility of our being of service to Citizens Bank, and you can be sure that Don Borland and Hugh Sutherland will be in touch with you to see if they can make some progress in this regard.

Thank you very much for your thoughtfulness in writing, and very best regards.

Sincerely,

H. R. Haldeman

Dear Ed:

Thank you very much for your letter of November 3. I can assure you that it was certainly an enjoyable day that we spent in San Diego even though we moved along so fast that there wasn't any real opportunity to get to chat with you and some of your associates.

You are obviously all doing a great job in the Republican Associates group down there and I trust you will keep moving along in this effort.

Dick Nixon was, of course, very pleased to have a chance to chat with Frank Leahy again, and we appreciate your helping in setting up this meeting.

I was interested in your suggestion that Barnes Chase would be interested in handling the Nixon Campaign in San Diego, and I would like to discuss this matter with you in more detail, in the near future, after we have laid some of our basic plans.

In the meantime, thanks again for writing, and very best regards. I will be in touch with you before too long.

Sincerely,

I am sending you herewith my check for \$4000 to be applied to repayment of my present loan secured by 300 shares of J. Walter Thompson Company common stock.

I have been amortizing this loan at the rate of \$200 a month and would like to suspend this monthly payment for the balance of 1961 and the entire year of 1962. Will you, therefore, please credit \$2,600 of the attached payment to 13 months payments which will be due during this period.

MEMO TO: Loie

Note Re San Francisco Trip

Dan London at the St. Francis should get a good letter since the Nixon Suite was complimentary on this trip. In addition, there was a lovely bouquet of chrysanthemums in fall colors, a baby vanda orchid for Mrs. Nixon, a bar service of scotch, bourbon and beer and two baskets of flowers and candy in the room--all from London.

RN wanted to be sure that Paul Davies, P. O. Box 760, San Jose, got a specially good letter thanking him for the Finance Group Luncheon, Monday Noon, and for assuming the Chairmanship of the Northern California Nixon Finance Committee.

Joe Martin, Cap Weinberger and Ruth Watson should all get letters thanking them for all of the work they did in arranging the many details of the very intricate and intensive two-day schedule and recognizing the tremendous amount of work that was involved on their part in order to include so much activity in such a short period of time. Gena Dewey, the Executive Secretary of the State Committee office in San Francisco should also get a note along this line plus thanking her for taking care of the telephone watch during the period of the visit at the hotel.

RN's driver throughout the visit was Howard Obrentz at 78 Wavcrest Drive, Daly City. He has driven the Nixons on other visits and did so again as a volunteer and should get a good letter.

The lists of those who attended the various group meetings, receptions and dinners are being supplied by Ruth Watson, and all those who attended should be thanked for coming--especially to groups who attended on Sunday and for taking time out of the beautiful weekend to come into the Hotel to meet with RN. Also, I think those who were asked to come, but did not, should probably get a letter saying he was sorry they weren't able to meet with us but hopes that he will have a chance to see them on a future trip to San Francisco. These letters should be pretty non-committal cause, in some cases, we did not know the reason they did not attend.

Sandy can give you the information on the Newspaper Publisher meetings and, who in addition to the Publishers were in attendance.

Subj: Memos to Loie re thank you letters

HRH:ss

I don't know whether RN will want to write them or not but I would rather think that he would.

Sandy can also give you the dope on Wanda Remy who's Television Show RN appeared on in a film spot, and I definitely think that she should get a letter because the Boss was quite impressed with her.

Loie, in general, the group should be handled as follows - The various groups who came in on Sunday afternoon should be thanked as outlined above. The group who came to the cocktail party-reception, Sunday evening, should just get letters saying it was good to see them again. The group at the Sunday night dinner should be thanked for coming to this first strategy session and for their willingness to serve in the campaign, and RN should say that he is expecting to be meeting with them again in the future as the campaign progresses, and will look forward to receiving their thoughts and recommendations. The group at the finance luncheon on Monday should be thanked for their willingness to serve on the Nixon Finance Committee for Northern California. The members of the Dinner Committee should get the standard letter for this type of service.

You will note a considerable amount of duplication, in that some of these people will appear on two or three lists instead of just one. I guess they should get letters acknowledging all of their various forms of participation.

Dear Melba:

Thank you very much for your letter regarding Jim Kreiger and the water situation.

I certainly agree with you that water will be the major issue in the campaign and it will be very helpful to get Mr. Kreiger's views and especially his analysis of what Brown's pitch will be.

Dick is going to set up a Task Force on the water issue and I think the first step would be to ask for Mr. Kreiger's suggestions as to who, in addition to himself, he feels might be valuable to have on this Task Force. Would you like to ask him for this information, or would you like me to get in touch with him directly? I will be glad to handle it however you think best.

I very much appreciate the offer of a place to get away from it all, and especially the removal of the telephones. You may find us taking you up on it before too long.

Thanks very much for writing.

I note in the December issue of CADLE News that you, as President of CADLE, have been asked to contact the candidates for Governor of the two major parties requesting information on their plans for the Department.

I understand that your members have a number of thoughts regarding action or inaction on the part of the Governor of California over the years, and I would be very much interested in learning from you what you feel has been neglected or mishandled in the past, and also what positive steps you feel would be advisable for the future.

If you are going to be in the Southern California area in the near future, perhaps we might be able to get together to discuss this. If this is not possible, I would suggest that you meet with one of our Northern California people and would be glad to set this up at your convenience.

Would you be so kind as to give me an indication of your current plans and any thoughts you wish to express at this point.

Thank you very much for the picture and the generous inscription.

You asked about the whereabouts of the principal members of the V.P. staff. I am sure you know that Ross Woods is here in Los Angeles with Dick in his law office. Bob Finch is also back here in Los Angeles with his old law firm. Herb Klein is back at the San Diego Union where he is Editor. Jim Golden has taken a position with General Mills as a Washington Representative, and is apparently doing very well with them.

You were especially interested in Jack Sherwood. He is serving out his term with the Secret Service and his retirement comes up in the spring of 1962. His address is 500 South Kensington Street, Arlington, Virginia.
