Dear Miss Sheckard:

Thank you for your kind letter of January 18th inviting Mr. Nixon to address the Los Angeles County Association of Educational Office Employees on either May 20th or May 27th. Much as he would like to accept your very kind invitation to address your meeting, his schedule for those dates is already committed, and he must reluctantly decline to join you.

Again, you may be sure that he would like to accept your cordial invitation, and is extremely sorry that prior commitments on those dates make this impossible.

Sincerely,

H. R. Haldeman

We are turning your invitation over to the Schedule Committee for consideration at an early meeting, and you will be hearing from us just as soon as possible. Certainly we hope something can be worked out for him to meet with your group at a mutually convenient time.

Whittier, California

Dear Mr. Woltering:

Mr. Nixon greatly appreciates your letter of January 11th inviting him to serve as Grand Marshal of the annual Whittier Boy Scout Parade on February 10th, and would like very much to accept your invitation. Unfortunately, however, his schedule for February is fully committed, and it is not possible to make additions to it, even though in a case like this he would particularly like to do so.

He sends every good wish to you and the Whittier Boy Scouts and is very sorry that his schedule cannot be adjusted to participate in this fine event.

Sincerely,

Thank you for your letter of January 9th inviting Mr. Nixon to address the General Telephone Management Club sometime in March. You may be sure that he would like very much to accept your cordial invitation, but unfortunately, his speaking schedule for the month of March is fully committed, and it is not possible to make additions to it, even for an event like this which he would particularly like to attend.

We very much appreciate your thoughtfulness in writing and Mr. Nixon is extremely sorry he cannot meet with the General Telephone Management Club.

Dear Fred:

Thank you for your kind letter of January 17th inviting Mr. Nixon to address the Beverly Hills Men's Club on March 8th. You may be sure that he would like very much to accept your cordial invitation, but unfortunately, a prior commitment for that night prevents his meeting with you.

Your request for future dates is being referred to the Schedule Committee, with the understanding that we will be in touch with you just as soon as we have something definite to report. We are hopeful something may be worked out that will prove mutually convenient on the dates you have specified.

Best regards.

Mr. Thomas F. Brewer
Attorney at Law
1149 North El Dorado Street
Stockton 3, California

Dear Tom:

In further reply to your letter of December 20th regarding the possibility of having Dick Nixon bestow the Alumnus of the Year Award on Eddie LeBaron at a dinner on May 5th, this is something he would definitely like to do.

However, we have a problem in setting firm dates that far in advance, as I'm sure you recognize.

How long can we hold off on a firm acceptance? The more time we can have the better - but I know you'll need a specific answer soon.

Best regards.

Sincerely,

H. R. Haldeman,

Dear George:

Some time ago you mentioned to Dick that Ollie Gale might be able to assist in some capacity. I've been meaning to follow up on your suggestion.

Do you have anything specific in mind as to the area he might fit into, or any activity he might be interested in taking on for us? I don't know him, but certainly would be happy to contact him. If you will give me his address, perhaps we could drop him a note direct and refer to your suggestion. Is he back with Proctor & Gamble?

I understand you and Jean were down here last weekend. Sorry not to have seen you.

Best regards.

Dear Mr. Brainerd:

This is a follow-up of your invitation to Mr. Nixon to address the assembly at San Marino High School the morning of April 13th when the Boy and Girl of the Year plaque is to be presented by the San Marino Exchange Club. Mr. McClellan has also mentioned to me the note he has received from Mr. Buck regarding the date.

Although we cannot confirm acceptance at this time, I do want to assure you the invitation is one Mr. Nixon would like very much to accept. We are attempting to work around other firm commitments but are hopeful the April 13th date in San Marino will prove possible.

Just as quickly as we have a definite answer for you, we will either telephone or write you. Meantime, this is just to let you know the invitation is appreciated and is receiving priority attention. You will be hearing from us soon.

TO WHOM IT MAY CONCERN:

Miss Martha Hardaway has been with our organization since its inception in October, 1961, and prior to that was with the Republican Club organization. Her voluntary resignation has been accepted with regret.

During the period Miss Hardaway has been on our staff, her position has been a diversified and demanding one, including supervision of and follow-through on the multiplicity of problems involved in setting up our Headquarters Building. In this regard, she has been exceptionally effective in all contacts and with all details.

Additionally, I am familiar with the abilities of Miss Hardaway in initiating and organizing source files and systems, and the contact as well as research work which is an important part of such projects. She has worked without supervision and with effective results.

Miss Hardaway has special ability in handling people, showing great tact, charm and patience. She is well liked by her co-workers and has received commendation from many who have had contact with her in connection with our Volunteer Program.

It should be noted Miss Hardaway's time with our organization has been during a period of rather chaotic circumstances which are always a part of setting up an operation involving construction and installations. She has been unfailingly kind, faithful in her follow-through, regular in attendance and efficient in all respects in her own particular job which has been carried on concurrently with the many other demands upon her time.

It is with pleasure this letter is written in behalf of Miss Hardaway, and I would welcome further inquiry.

Mr. Ray Chambers
Founders Hall
Redlands, California

Dear Ray:

The Nixon visit to the Redlands campus is definitely in order and I would appreciate your thoughts as to best timing and auspices.

I am sorry we weren't able to get together over the holidays, but trust you had a good vacation at Disneyland.

I definitely think we should go ahead with the college organization, and am in full accord with the comments in your letter of December 7th concerning the need for entering the primary campaign with unmatched drive and enthusiasm.

I am afraid the files from the Presidential campaign would not be of much value to us since they are now two years old and I presume that at least a major portion of students succeeded in completing their courses and have graduated. I think it would be better to start from scratch, campus by campus, and suggest that you get in touch with Joel Fisher at Stanford, State President of the College Federation of Young Republicans, to see if he can help us in this regard. Obviously we do not want the Nixon organization to be limited to the college YR's, but Joel is very much with us and I think could be helpful in providing an initial contact on each campus. If you can take the time to get this project under way, I would like very much to have you serve as general coordinator for the organizing stage, at least.

If you can take this on, why don't you get in touch with Joel and then let me know what you are able to work out?

Best regards.

MEMORANDUM

January 18, 1962

To: Mrs. Eckman

From: Bob Haldeman

Dear Lura:

Thanks for the memos.

I agree that we should have the office open on Saturday for volunteers who are available on that day only, and we will do so as soon as we put the volunteer work on a full-time organized basis.

We will certainly put Barbara Brookins to work. As you know, we are now working on the development of a specific volunteer program and I am sure she will be a great asset.

I have passed on Norman Elliott's name to Charles Farrington who will be responsible for development of the Speakers Bureau. I am sure Charlie will be in touch with him.

Keep the suggestions coming. We need them.

We certainly appreciate your letter of January 11th asking Dick Nixon to address the National Warm Air Heating and Air Conditioning Association convention in San Francisco on May 21st.

Unfortunately, we have had to make a firm rule that Dick not accept speaking engagements for national conventions. We recognize that in many cases, and certainly this is true in yours, the audience will include a substantial and important group of Californians. However, if we deviate from the rule once, we have no basis upon which to stick to it on other occasions.

Your valuable support in 1960 was obviously most helpful, and I trust we can count on your support in the governorship race ahead.

Thank you again for your letter, and we regret our answer must be as it is.

Kind regards.

Sincerely,

H. R. Haldeman

Dear Mr. Garrett:

Thank you for your kind letter of January 17th inviting Mr. Nixon to be the guest of honor at a Dress Parade at Southern California Military Academy in Long Beach.

We are turning your invitation over to the Schedule Committee for consideration at an early meeting and you will be hearing from us just as soon as possible. Certainly we hope that something can be worked out at a mutually convenient time for him to visit one of your Dress Parades.

Mr. Nixon and members of the Schedule Committee very much appreciate your thoughtfulness in writing.

Mr. Ray Chambers
Founders Hall
Redlands, California

Dear Ray:

The Nixon visit to the Redlands campus is definitely in order and I would appreciate your thoughts as to best timing and auspices.

I am sorry we weren't able to get together over the holidays, but trust you had a good vacation at Disneyland.

I definitely think we should go ahead with the college organization, and am in full accord with the comments in your letter of December 7th concerning the need for entering the primary campaign with unmatched drive and enthusiasm.

I am afraid the files from the Presidential campaign would not be of much value to us since they are now two years old and I presume that at least a major portion of students succeeded in completing their courses and have graduated. I think it would be better to start from scratch, campus by campus, and suggest that you get in touch with Joel Fisher at Stanford, State President of the College Federation of Young Republicans, to see if he can help us in this regard. Obviously we do not want the Nixon organization to be limited to the college YR's, but Joel is very much with us and I think could be helpful in providing an initial contact on each campus. If you can take the time to get this project under way, I would like very much to have you serve as general coordinator for the organizing stage, at least.

If you can take this on, why don't you get in touch with Joel and then let me know what you are able to work out?

Best regards.

Sincerely,

H. R. Haldeman

Dear John:

Thanks very much for your letter of January 15th.

I am sure Dick would like very much to appear at a dinner of the Concordia-Astronaut Club if it can be worked into his schedule. I wonder if you could ask Mr. Coffee to send us a specific invitation, or at least an indication of what dates might be suitable for him? I would also appreciate a little background information on the Club for my own guidance.

We tried to work out the Temple Beth-el appearance, but could not clear a mutually satisfactory date early in the year. We are trying to work out a time, perhaps in May, and will let you know how this develops. Obviously it would be an extremely desirable appearance.

Please keep us posted on any other thoughts or suggestions you may have. Hope I'll be seeing you in San Francisco before long. In the meantime, best regards.

Sincerely,

Captain Claude S. Kirkpatrick
Post Office Box 637
San Mateo, California

Dear Captain Kirkpatrick:

It sounds to me as if you have already prescribed an excellent reading course for yourself in order to prepare yourself for participation in the campaign in June. We will of course be happy to see that you get copies of any material issued by the campaign as it gets under way, and I am asking our San Francisco office to take care of this.

I think it would be extremely desirable for you to become as current as possible with unclassified publications and writings on the subject of Civil Defense as it will undoubtedly be a factor in the campaign. Anything you might be able to develop by way of material in the area of Crime will also be very useful.

Again, thanks very much for your interest. Please feel free to contact Jean Dewey in our San Francisco office if there is any further information you need during the next few months.

Sincerely,

H. R. Haldeman

MEMORANDUM

January 18, 1962

To: Loie
From: Bob Haldeman

I discussed the attached with RN and we have agreed that for the balance of the campaign period, we will turn down all requests for him to serve on any committees, advisory boards or sponsorship groups.

The TD should be based on the fact it has always been his policy during the period he is a candidate not to accept any memberships.

He does want thought given in each case to the possibility of sending a contribution to the organization at the time he turns down membership, if it appears that this would be politically helpful. Where this does appear to be the case, I would suggest that we discuss it. I do not think this applies to either of the attached.

Let me know if you have any questions.

MEMORANDUM

January 18, 1962

To: Lois

From: Bob Haldeman

I discussed the "how do you feel about Kuchel" situation with RN. He does not want it handled per the attached draft.

We are to make no defense of Kuchel or his record in any way. Any answers on this subject are not to be sent over RN's signature, but should be signed by a staff member.

The tenor of the letter should be to lump Kuchel with all incumbent candidates and say that RN intends to vote for him in the primary; however, in view of the primary opposition, he will not participate in Kuchel's campaign for the nomination in any way.

Dear Melba:

I have heard from Jim Krieger and have put him directly in touch with Hugh Flournoy who is working on the development of Task Forces for issue study - - especially water.

My function in the campaign is going to be concentrated on the organizational side, and I felt it would be better for Krieger to work directly with those responsible for development of issue material.

I am sorry we didn't get a chance to chat at the "Woman of the Year" affair, but hope we will be seeing you up here again before long.

I appreciate your suggestion on Mac Faries and will get in touch with him.
